WHO WE ARE

We are a fruit agency situated in the area of Trentino South Tyrol in northern Italy. Our company was established in 1982, but we have been collaborating with our exporter in Italy, Spain, South America and South Africa with all kind of fruits.

We mainly deal in export towards the European, North Africa, Middle Est, The Arabic Peninsula, South America, North America and south east of Asia markets. All our importers are insured by credit insurance company, so they are reliable companies since we know them for many years.

All our exporters are updated with all international quality certifications.
